By car

The Munich campus is located near the main train station in Munich. You drive on the A9 past the Allianz Arena direction Munich and drive to the end of the motorway on the Schenkendorfstraße. From there follow the signs to the city center and the main train station. The parking facilities at the ISM itself are very limited.

With public transport

From Munich Central Station the ISM can be reached with the U2 direction Feldmoching. You get off after just one stop at "Königsplatz "(King Place) and come out of the subway tunnel at the intersection Karlstraße and Luisenstraße. The ISM can already be seen from this intersection about 50 meters away.

From the airport

Munich Airport is extremely far out from the city. The S1 and S8 line regularly go from there to the main station and take about 45 minutes to get there.
